Dear Sir or Madam,

I am writing to express my interest in your current psychologist vacancy. Please accept my curriculum vitae for your consideration. I just wanted to work with autistic children. It's my dream, so I'm looking for an organization that can help me with a practical base of autism.

My past experiences were linked with psychology science. I spend a lot of time researching autism, so I know the theoretical base of this issue. Also I have a little bit of practice experience needed for my last article.

I appreciate your taking the time to review my credentials and experience. Again, thank you for your consideration.

Yours faithfully,

Ilya Sumbatyants
