Education

Novosibirsk State University (NSU)

Undergraduate, bachelor degree, Novosibirsk, since 2009.

Department: IT.

Academic average: 4.2

Skills

Knowledge of programming languages: ANSI C, C99, Java, Bash.

Knowledge in working in Databases (Oracle, MySQL).

Knowledge of parallel programming (MPI, OpenMP, IPP, MKL, pthreads).

I'm very good at working with Linux and good at Windows operating systems. Also I have a small experience with working on MacOS X.

I worked with SVN, Git, Makefile.

I'm interesting in computer security and system administration.

Awards and projects

- Projects:

Rendering via Ray Tracing (http://www.i-lab.nsu.ru/wiki/index.php/WS2011_Ray_Tracing)

- Awards:

I was qualified for Intel Parallel Programming Professional (Intel Compilers) (2nd level of 3).

Regularly taking part in Capture the Flag (CTF) competitions in computer security such as PlaidCTF, DEFCON CTF, BaltCTF.

Our team, named h34dump, has taken 4th place in BaltCTF competition.

Additional information

My English level is Upper-Intermediate.
